# EU MISSIONS

**ADAPTATION TO CLIMATE CHANGE**

**How to exploit successfully the currently open calls under  
Mission Adaptation to Climate Change (2023)**

**#EUmissions #HorizonEU #MissionClimateAdaptation**

## #MIP4Adapt reports to:

The Mission  
Secretariat

The Mission  
Managers from DG  
CLIMA and DG RTD

CINEA, as the  
contracting  
authority

# The functions of #MIP4Adapt are to:

- **Provide central support** to Mission participants and the Commission to implement the Mission
- **Coordinate the broad range of activities and actors** through a Community of Practice, including coordination with other European activities on climate adaptation
- **Provide support and technical assistance to regions and local authorities** along their transformation process towards climate resilience
- **Communicate and connect** activities and actors on adaptation, including through a media strategy and an annual Forum event
- **Monitor and report on progress**
- **Promote and stimulate broader engagement** with the Mission and other Missions

# Public webpages

The [EU Mission on Adaptation to Climate Change Portal](#) includes:

- An overview of [the Mission](#)
- [The Regional Adaptation Support Tool](#)
- [Knowledge and data](#):
  - Overview of [Mission Projects](#)
  - Access to the [Community of Practice](#)
  - The MIP4Adapt [newsletter](#)
  - [Events](#)

The screenshot shows the homepage of the EU Mission on Adaptation to Climate Change Portal. At the top, there are logos for 'EU MISSIONS ADAPTATION TO CLIMATE CHANGE' and 'Climate ADAPT', along with the tagline 'SHARING ADAPTATION KNOWLEDGE FOR A CLIMATE-RESILIENT EUROPE'. A navigation menu includes 'The Mission', 'Knowledge and Data', 'News', 'Events', and 'Community of Practice'. A search bar is located in the top right corner. The main content area features a large image of a sunflower field with wind turbines in the background. Below the image, the text reads 'Welcome to the EU Mission on Adaptation to Climate Change Portal' and includes an 'About' button. A small image credit is visible: 'Image © European Union, 2023 – image: goodluz #25227000, 2021. Source: stock.adobe.com'. The 'Featured' section contains five icons representing different portal features: 'Regions and Local Authorities' (map and location pins), 'Regional Adaptation Support Tool' (circular flow diagram), 'Knowledge and Data' (computer monitor with charts), 'Mission Projects' (clipboard with document), and 'Community of Practice' (network diagram with people icons).

# Community of Practice

## Aims

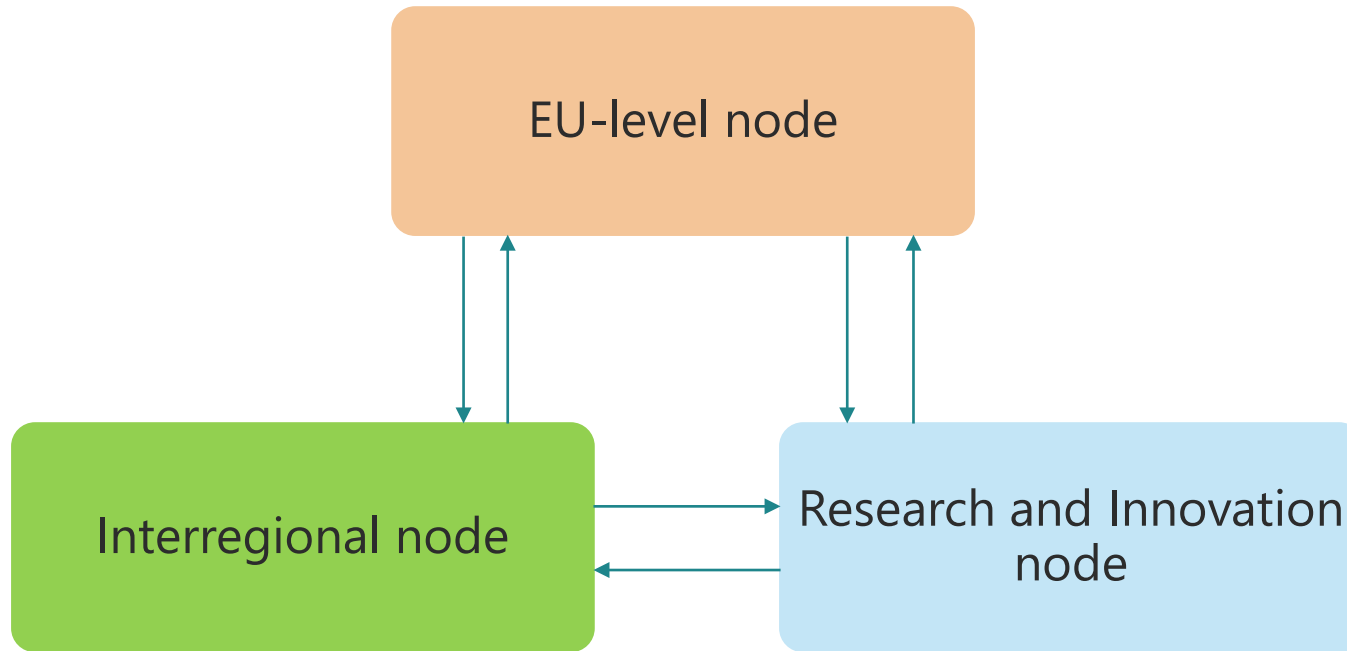

1. To facilitate the **exchange of knowledge and experience.**
2. To strengthen **coordination and collaboration** among participants.

## Participants

- Charter Signatories
- Friends of the Mission
- Mission projects and their regions
- National adaptation Contact Points
- Member State authorities
- European institutions

# Benefits of the nodes

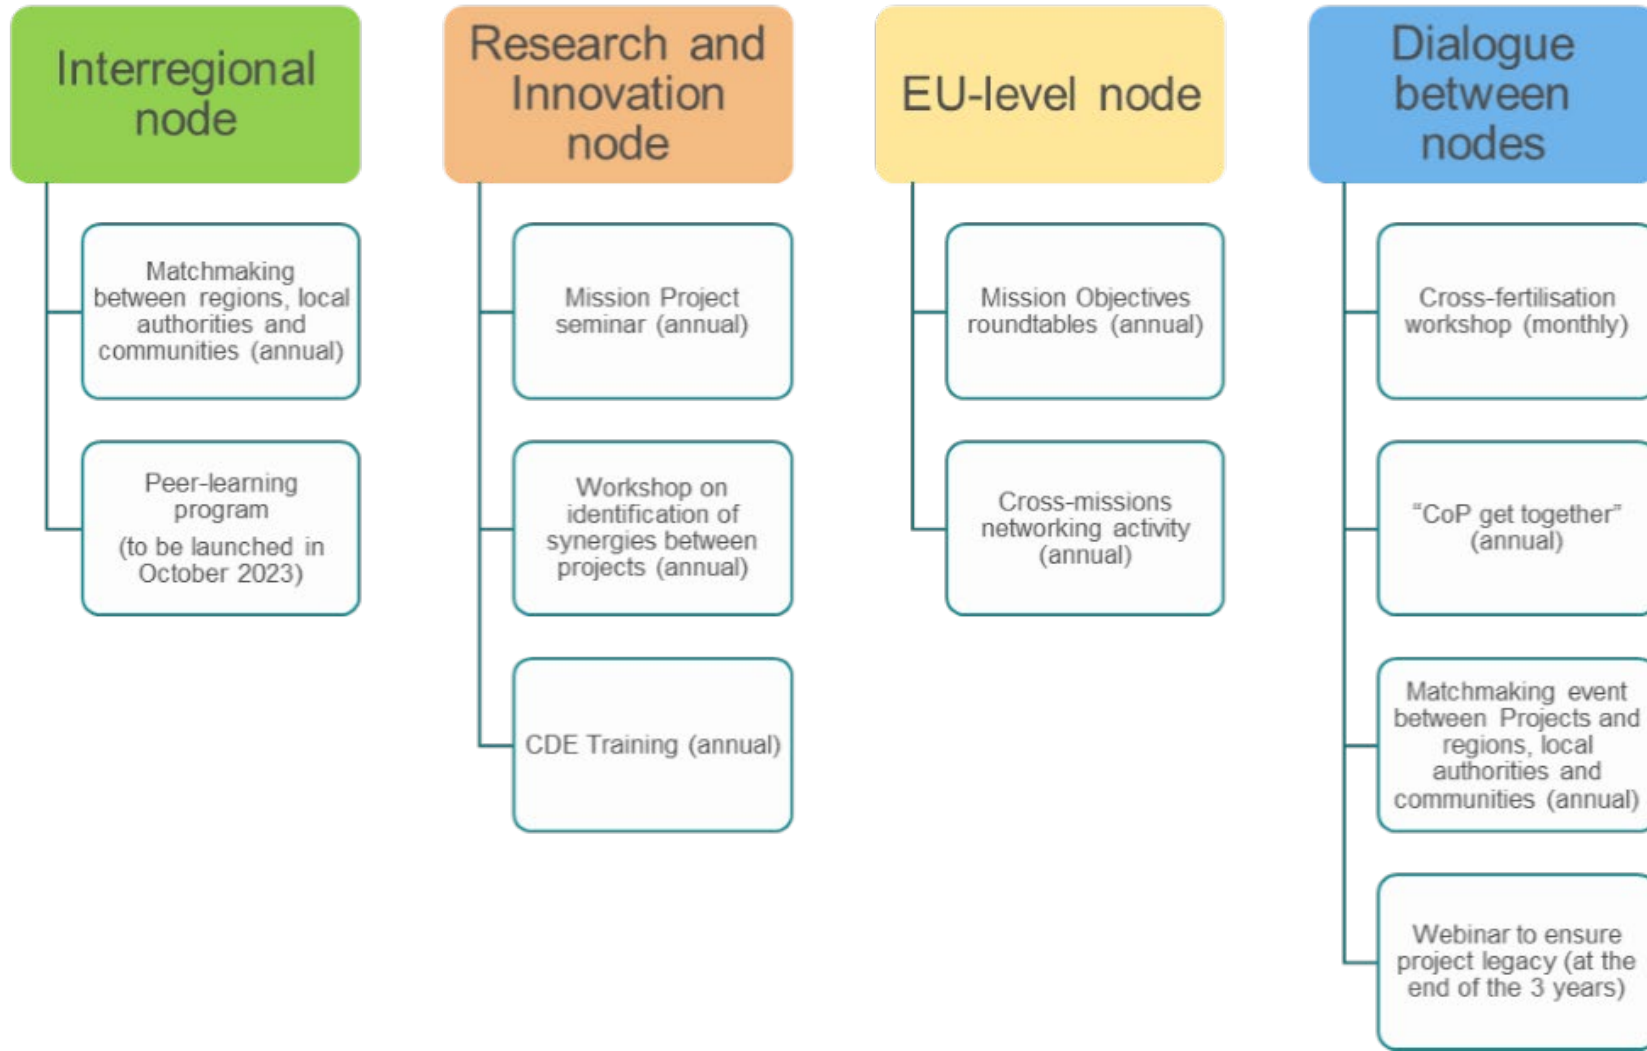

Strong dialogue between nodes

## Members will benefit from:

- Engagement with stakeholders
- Sharing knowledge, experiences, and practices
- Participation in events
- Opportunities to link research with policy and practice

# What the nodes stand for?

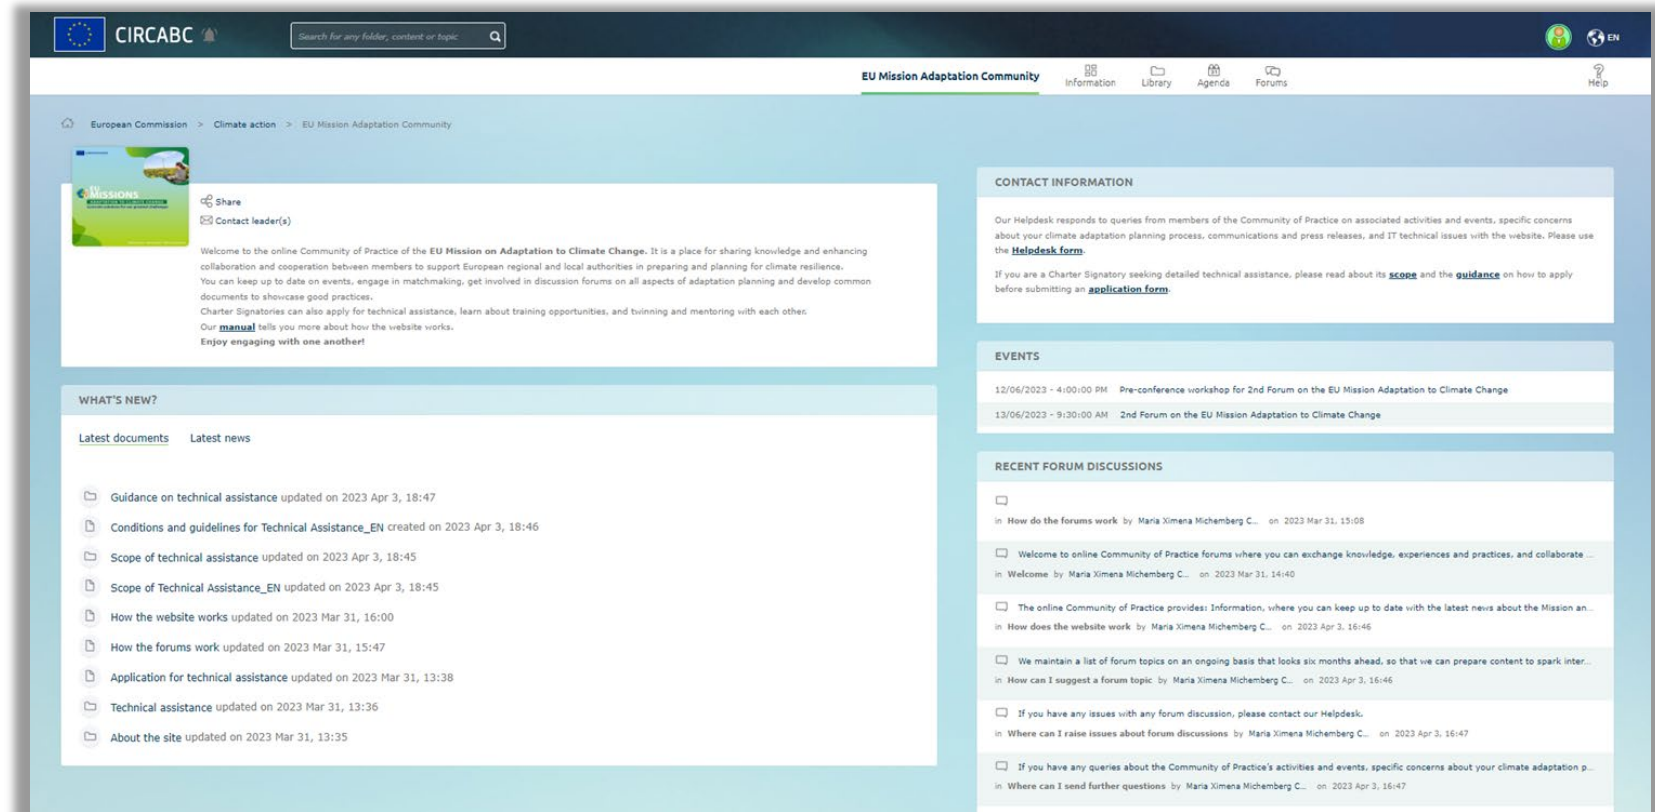

# Online EU Mission Adaptation Community

## Main users

- Charter Signatories
- Friends of the Mission
- Mission Projects
- National Contact Points for climate adaptation

The screenshot shows the website interface for the EU Mission Adaptation Community. At the top, there is a navigation bar with the CIRCABC logo, a search bar, and menu items for Information, Library, Agenda, and Forums. Below the navigation bar, the main content area is divided into several sections:

- Welcome Message:** A central banner with a 'Share' and 'Contact leader(s)' button. The text reads: "Welcome to the online Community of Practice of the EU Mission on Adaptation to Climate Change. It is a place for sharing knowledge and enhancing collaboration and cooperation between members to support European regional and local authorities in preparing and planning for climate resilience. You can keep up to date on events, engage in matchmaking, get involved in discussion forums on all aspects of adaptation planning and develop common documents to showcase good practices. Charter Signatories can also apply for technical assistance, learn about training opportunities, and twinning and mentoring with each other. Our [manual](#) tells you more about how the website works. Enjoy engaging with one another!"
- WHAT'S NEW?:** A section with two tabs: 'Latest documents' and 'Latest news'. It lists several updates:
  - Guidance on technical assistance updated on 2023 Apr 3, 18:47
  - Conditions and guidelines for Technical Assistance\_EN created on 2023 Apr 3, 18:46
  - Scope of technical assistance updated on 2023 Apr 3, 18:45
  - Scope of Technical Assistance\_EN updated on 2023 Apr 3, 18:45
  - How the website works updated on 2023 Mar 31, 16:00
  - How the forums work updated on 2023 Mar 31, 15:47
  - Application for technical assistance updated on 2023 Mar 31, 13:38
  - Technical assistance updated on 2023 Mar 31, 13:36
  - About the site updated on 2023 Mar 31, 13:35
- CONTACT INFORMATION:** A section explaining the Helpdesk's role: "Our Helpdesk responds to queries from members of the Community of Practice on associated activities and events, specific concerns about your climate adaptation planning process, communications and press releases, and IT technical issues with the website. Please use the [Helpdesk form](#)." It also mentions that Charter Signatories seeking detailed technical assistance should read about its [scope](#) and [guidance](#) before submitting an [application form](#).
- EVENTS:** A list of recent events:
  - 12/06/2023 - 4:00:00 PM Pre-conference workshop for 2nd Forum on the EU Mission Adaptation to Climate Change
  - 13/06/2023 - 9:30:00 AM 2nd Forum on the EU Mission Adaptation to Climate Change

# Online EU Mission Adaptation Community

## Objectives

- Increase sense of belonging to a community.
- Unlock potential for mutual learning.
- Network and collaborate.
- Enhance capacity building.
- Share ideas, knowledge, perspectives, and experiences.

## Functionalities within the site

- Latest news
- Library of information
- Calendar of events
- Forums
- Helpdesk

# Annual Forums of the Mission on Adaptation to Climate Change

- Takes stock of the progress of the Mission over the year.
- Focus on multilevel governance to accelerate change.
- Helps define better cooperation and address how knowledge can help the scaling up of adaptation solutions.

## Second Forum

*Online registration will be available in due course.*
