NATI00NS has trained national mentors in 18 countries (more to come)

The coaching sessions should encourage and enable potential applicants to organize stakeholders around a specific soil health challenge at regional level and going through the initial phases of establishing a LL.

Applicants can contact the mentor and ask for a coaching session.

The Turkish mentors:

Mrs. Ayşe Çınar ÖNER, Scientific and Technological Research Council of Türkiye (TÜBİTAK), EU Horizon Europe Cluster 6 Food and Agriculture National Contact Point
- cinar.adali@tubitak.gov.tr

Mr. Azmi Serhat YILDIRIM, Scientific and Technological Research Council of Türkiye (TÜBİTAK), EU Horizon Europe Cluster 6 Food and Agriculture National Contact Point
- azmiserhat.yildirim@tubitak.gov.tr

1) Registration

Register via the [Register](#) button.

2) Publish a business profile to showcase your needs

Create a clear and concise business profile to raise your visibility on the b2match platform. Your profile should describe who you are, what you can offer to potential partners, and who you want to meet. A good profile will generate significantly more meeting requests.

3) Browse profiles of attendees

Go to the [participants list](#) to find out who is offering interesting and promising business opportunities.

4) Send & receive meeting requests

Browse [published participants profiles](#) and send meeting requests to those you want to meet during the event.

5) Matchmaking Event

Access your meetings in [My Agenda](#) or [Meetings](#), where you have your complete schedule for the event and the list of your meetings. Check your camera and microphone and don't be late!
