# PROJECT WEBSITE

We have in place several useful tools available to all potential participants. These tools are accessible through our redesigned website.

**A revamped web site:** <http://www.turkeyinh2020.eu>

We have redesigned our web site, to make it “cleaner”, more modern and easier to read in mobile devices. Now you can learn about all our forthcoming events and check out our news just with one click.

**A new video channel:** <https://goo.gl/xeDggy>

We have added video channel. Now, you can watch the full “General and Introductory Training on H2020” including all presentations, on YouTube. You can access it directly or through the link at our homepage.

**A Legal, Financial & IPR helpdesk for H2020**  
<http://helpdesk.turkeyinh2020.eu>

**A web site dedicated to IMS:** <http://ims.turkeyinh2020.eu>

A directory of all Information Multipliers on H2020 with their interests, their areas of expertise, the services they can offer is accessible directly and through our web site link. It provides an easy way for Information Multipliers to get in touch and enhance their services through collaboration.
