Call searching for relevant researchers and companies

Partner search

Organizing focus group meetings, 1-1 meetings, info days, trainings

Participating info days, brokerage events with target group

Contact with relevant institutions (interface)

Inform about call details, events, news

PROPOSAL PREPARATION AND SUBMISSION

Connect with relevant researchers and coordinator

Agreement administration (LoI)

Proposal development

Preparation of budget

PROJECT MANAGEMENT

Consortium agreement

Organizing trainings for project management

Administrative and financial issues

Project Reports

ATMOSFER TTO

ACTIVITIES (2015)

Focus Group Workshops (2 workshops: Energy, Biotechnology & Nanotechnology)

H2020 General Introductory Events (3 events)

H2020 Conference (Köprü Günleri: University-Industry Collaborations)

Theme Based Info Days with NCPs (8 Info Days: MSCA, NMP, Food, Transport, ICT, Environment, SME Inst, FTI)

1-1 Meetings (more than 35 researchers and 40 companies)

RESULTS

- 5 MSCA-IF application
- 1 ERC Starting Grant application
- 1 MSCA RISE application ✓
- 5 project application with consortium ✓
- 4 SME Instrument

RECOMMENDATIONS

- Determine focus areas make strategic plan / action plan
- Organize theme based activities
- Encourage companies and match with relevant researcher(s)
- Close relationship with other TTOs
