

KODECO

DESIGN AND ENGINEERING COMPANY

Kerem Odabaşı

Managing Director

k.odabasi@kodeco.com.tr

www.kodeco.com.tr

The Company

KODECO DESIGN and ENGINEERING LTD.

Founded in 2013

Located in TechnoPark – Depark Izmir Turkey

Industrial Design; Automotive & Mobility
Engineering; Automotive & Renewable Energy

The Team

Kerem Odabasi
Managing Director

Yigit Unallar
Software Dev.

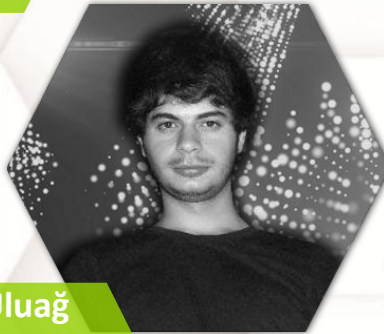

Mert Buyukkopru
Mech. Engineer

Selda Odabasi
Marketing / Sales

Onur Uluag
Elect. Engineer

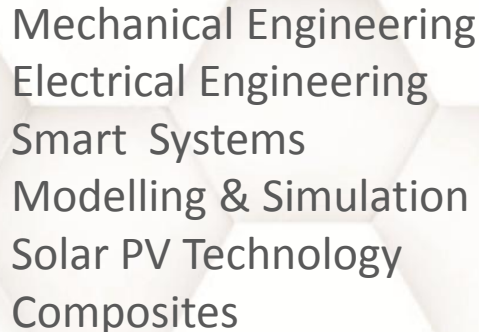

Kazim Doku
Industrial Designer

DESIGN

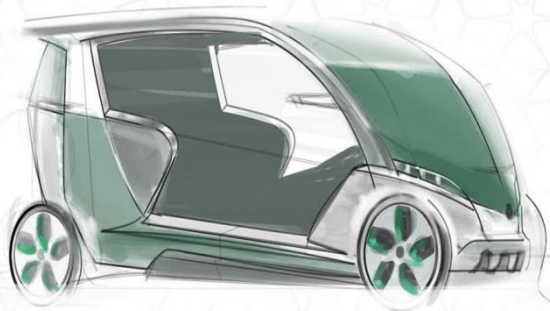

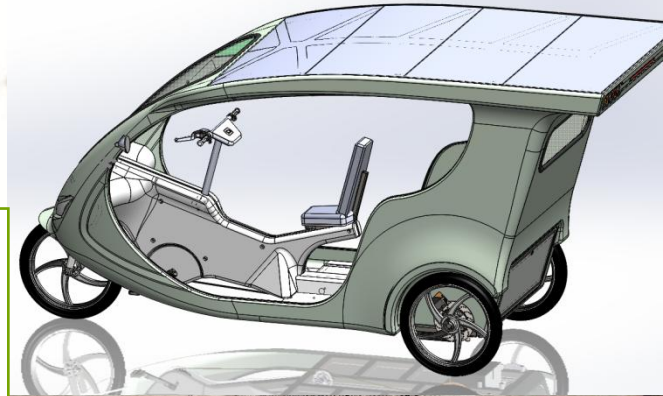

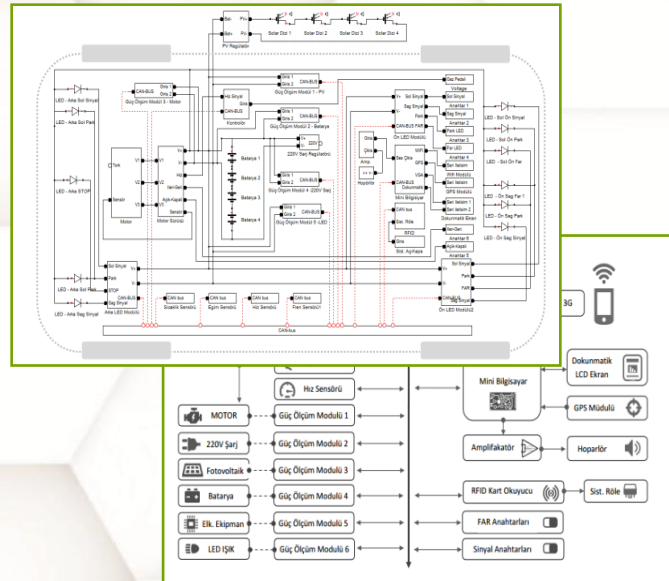

Automotive Design
Conceptualization
User Experience
Interaction Design
Materialization
Rapid Prototyping

ENGINEERING

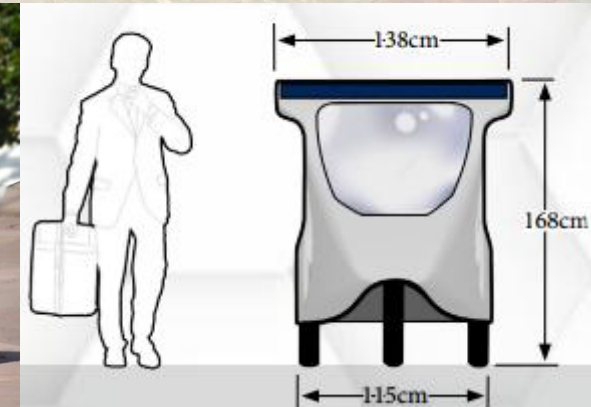

Mechanical Engineering
Electrical Engineering
Smart Systems
Modelling & Simulation
Solar PV Technology
Composites

Company Profile

ECOtour

- Design & Engineered
- Funded by TUBITAK
- Solar Powered
- Ultra light weight
- CleanTech'15 Winner
- Production-ready

H2020 2017 Call

EcOS

OBJECTIVES

- Smart Energy Management System

EXPECTED RESULTS

- %20 Less Energy Consumption

GV-05-2017

EcoTOUR X

OBJECTIVES

- Four Wheel L-Category Modular Vehicle
- Embedded Photovoltaics into Composite Bodies

EXPECTED RESULTS

- Strong Modularity and Scalability
- Higher Efficiency on Solar Energy Support

GV-10-2017
