

Turkey in H2020

Theme Oriented Training:

TRANSPORT

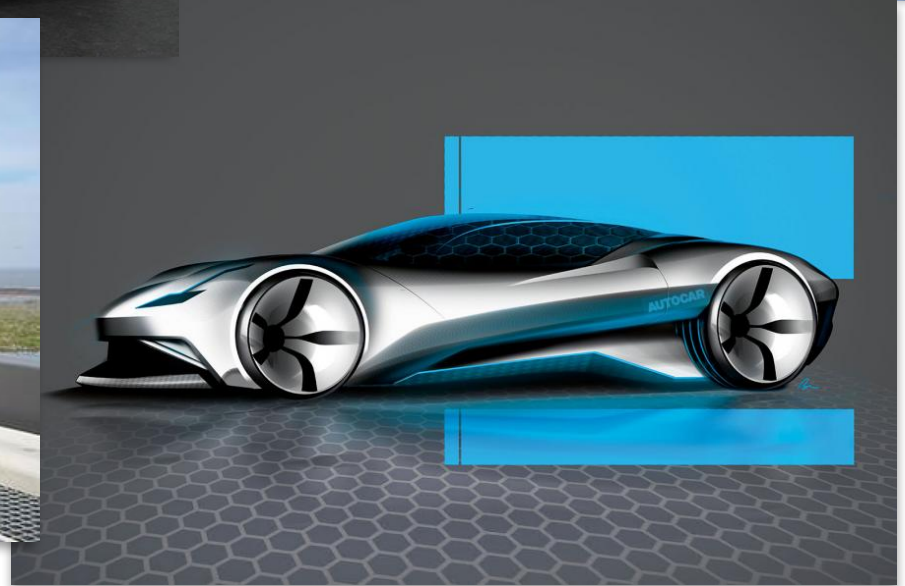

Istanbul, 20 October 2016

Turkey in H2020 Theme Oriented Training: **TRANSPORT**

Istanbul, 20 October 2016

Hoş geldiniz!
Welcome!

But underpinning all this....

BETTER MOBILITY... *respects the environment* ...

Less congestion ... better safety ... reduce

aviation noise ... RESOURCE EFFICIENT ... HIGH

PERFORMANCE and LIGHTWEIGHT MATERIALS

... innovative, sustainable transport ... more

efficient logistics ... **PORTS OF THE FUTURE ...**

smarter road infrastructure ... etcetera....

Support to Turkish Participation in the EU Framework Programme for Research and Innovation

Turkey in Horizon 2020

PROJECT OVERVIEW

Main Objective – working with TÜBİTAK...

‘To strengthen the capacity of Turkey in Science, Technology and Innovation (STI) and facilitate the integration of the Turkish research area into the European research area through increasing participation in H2020’

This project is co-financed by the
European Union and the Republic of Turkey

Bu proje Avrupa Birliği ve Türkiye Cumhuriyeti tarafından
finanse edilmektedir

The project will assist by ...

- Maintaining and growing **knowledge diffusion** and **awareness raising** on H2020 through a variety of training activities
- Providing the Turkish Research area with **networking events and activities**
- Providing **financial support** to Turkish researchers for networking events, project preparation meetings and lobbying activities
- **Preparing and printing documentation** to guide Turkish researchers on H2020 issues
- Developing **on-line tools** to disseminate relevant information

Expected results...

- **Increased awareness and knowledge diffusion** on H2020 in Turkey
- **Organisational and financial support** to TARAL
- **Sustainability and dissemination** of H2020 project results

**Improved Turkish participation, performance
and success in H2020**

PROJECT ACTIVITIES (I)

Increasing Turkish participation in Horizon 2020 through:

- General training on H2020
- Theme oriented training
- Focused group training
- IPR training
- Training on access to risk finance
- Helpdesk on IPR and legal/financial issues
- One-to-one consultancy for SMEs to enhance their technology development capability and to help them become more active participants in H2020 projects

PROJECT ACTIVITIES (2)

Increasing Turkish participation in Horizon 2020 through:

- Proposals pre-evaluation support
- Proposal writing 'camps'
- International brokerage events involving European researchers
- Financial support for Turkish researchers participating in networking events/meetings, information days, consortium meetings, lobbying activities, etc.
- Dissemination of training materials, IPR Handbook, Legal and Financial Guide
