

Session II – Task one: Track
record of an ERC candidate

Task (30 mins)

- Take in your handouts the proposal and read through pages 3-5

Discuss with in pairs (or small groups) what shows (or is missing) in

- Applicant independence
- Applicant international track
- Applicants supervision and project leadership skills
- Applicants status in the field nationally and internationally

Discussion

- Does the CV tell the story?
- PI has had an **interesting, mobile and diverse** career so far?
- PI is established in her organization but also internationally at the **top of her field?**
- PI are **trusted** amongst her peers and she shows potential to be the **future leader** in her field since she has a good start / track in **supervising?**
- PIs interests and international connections have sparked her to pursue yet a more **challenging academic project?**
- **With the help** of this funding and her well-thought **network** consisting of seniors (SAB) and juniors (the ones she'll hire) she will reach this timely, risky- yet important goal?
- She will dedicate a good amount of her time and effort to this project. (Show in both B1 and B2)?
