Marie Skłodowska-Curie Individual Fellowships (IF) 2017 Evaluation Summary Reports Analysis (ST-CAR-RI-GF Panels)

Task 3.1: MSCA Evolution Guide
Issued by: TÜBİTAK - Scientific and Technological Research Council of Turkey
Issued data: 20 June 2018
Work Package Leader: InnovationAuth

This is a summary of the most repeated weaknesses and strengths in previous call applications. NCPs do take those strengths and weaknesses from the Evaluation Summary Reports prepared by the experts after evaluating each proposal. So you can see how the evaluators are criticizing the proposals during official evaluation process.

Check the Abstracts/Reports of Funded Projects

The screenshot shows the CORDIS website interface. At the top left, there is the European Commission logo and the text "European Commission | CORDIS EU research results". To the right, there is a language selector set to "English EN" and a search bar with a "Search" button. Below this is a navigation menu with "HOME", "RESULTS PACKS", "RESEARCH*EU MAGAZINES", "NEWS & EVENTS", "PROJECTS & RESULTS" (highlighted in yellow), and "ABOUT". A "SIGN IN" button is located on the far right of the menu. The main heading reads "CORDIS is the primary source of results from EU-funded projects since 1990". Below the heading is a search bar with the placeholder text "Search projects and results" and a search icon. Underneath, there is a link "List projects by framework programme" with a dropdown arrow, and "See latest results" with an upward arrow. At the bottom, there are four buttons: "See all Results in Brief", "See all Project Summaries", "See all Project Deliverables", and "See all Project Publications".
