Horizon Dashboard

The Horizon Dashboard is an intuitive and interactive knowledge platform offering a user-friendly public access to statistics and data on EU research and innovation. It offers:

- Easy access to overview and detailed information on proposals, funded projects and project results, notably reported IPRs and scientific publications,
- Views on specific aspects e.g. the Seal of Excellence, the European Innovation Council
- Intuitive functions for filtering and drilling down, allowing analysis by geographical location, research thematic area, organization types etc.
- Functions for data export, story-building and bookmarking – log in here to access full Dashboard functionalities

Document establishing the InvestEU Programme

Proposal for a REGULATION OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL establishing the InvestEU Programme COM(2018) 439 final

The Commission amended 2018 InvestEU proposal to better suit the changed circumstances. New proposal reflects higher investment needs and an environment of increased risk.

Invest EU

The InvestEU programme (2021-2027) will bring together, under one roof, the European Fund for Strategic Investments and 13 EU financial instruments currently available.

Invest EU

The InvestEU Programme provides for a single EU investment support mechanism. It will have four components:

- ❑ the InvestEU Fund providing guarantee;
- ❑ the InvestEU Advisory Hub providing technical assistance;
- ❑ the InvestEU Portal providing data-base for promoting projects in search for financing; and
- ❑ blending operations.

Strategic Plan for Horizon Europe

- ❑ is taking **Horizon Europe Specific Programme** as a starting point.
- ❑ will contain a description of **impacts to be targeted** and **intervention areas covered, identify missions and European Partnerships.**
- ❑ will describe **strategic policy priorities** to be supported through Horizon Europe from 2021 to 2024.
- ❑ will prepare the content of **the work programmes and calls for proposals** for the first 4 years.
- ❑ Work programmes shall be prepared **following a strategic planning process.**
- ❑ **Orientations towards the first Strategic Plan for Horizon Europe** is a solid foundation for the first Strategic Plan.

Orientation towards the Strategic Plan for Horizon Europe

- The first part **outlines challenges** that the EU is currently facing and the drivers that are likely to exacerbate them.
- It then presents the **key EU policy objectives** and responses to these challenges and **outlines the impacts** that research and innovation should target to help achieve these objectives.
- A section describes **specific issues** that will be taken into account during the implementation of Horizon Europe, and the future coordination of relevant activities throughout Horizon Europe.
- Finally, the document **presents two novel instruments** and approaches for maximising the targeted impacts: **the missions and Partnerships** in Horizon Europe.
- The **targeted impacts** are presented in further detail in six annexes, corresponding to each Horizon Europe Cluster.

Implementation Strategy for Horizon Europe

- ✓ Implementation Strategy focuses on how the new programme will achieve its objectives in practice.

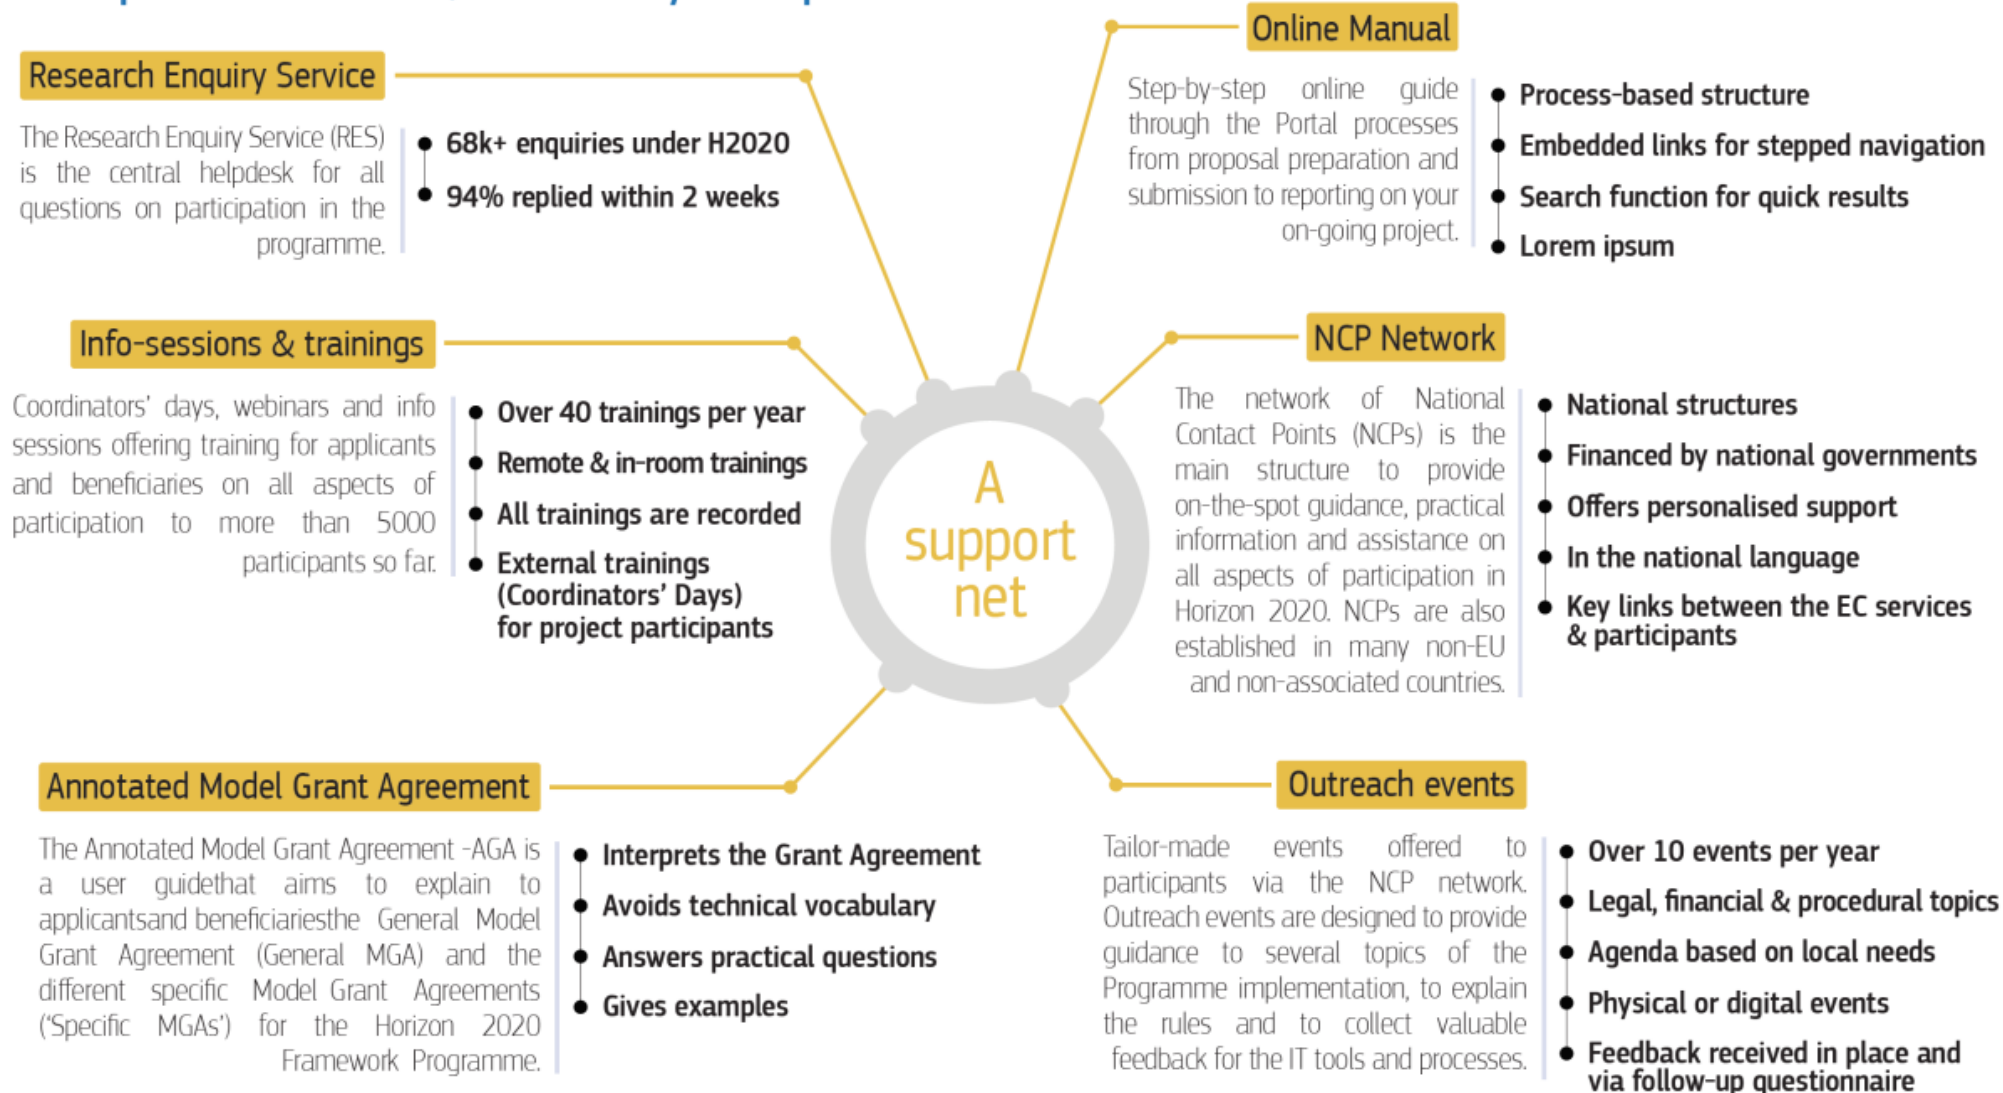

Implementation Strategy for Horizon Europe

Main Orientations:

- ✓ **Maximising impacts:** *clearer specification of the expected impact at the level of a call, coherent portfolio of projects, new indicators, reporting beyond the life of the project,*
- ✓ **Ensuring greater transparency and simplification:** *clear WP text, shorter proposals, less elements to be included, interaction between applicants and experts, simplified MGA, more lump sum projects, better access to EIT and Partnerships calls,*
- ✓ **Fostering synergies with other EU spending programmes:** *sequential funding, Corporate MGA, new State Aid rules exemptions,*
- ✓ **Easing access through digital transformation outreach:** *use of electronic solutions, Funding and Tenders Portal, AI modules, Research Enquiry Service.*
