EU FP Supports and Awards

Participation

Increasing the number of applications to be made to the EU FP (attracting new actors to the game)

Quality

Increasing the quality (chance of success) of the projects to be submitted with evaluation supports

Leadership

Rewarding and encouraging successful (funded or above threshold) project owners

Encouragement

Supporting Leader / Coordinator researchers, facilitating their participation in effective positions in collaborations

Competitive Calls for Third Parties

- These calls are designed for institutions, organizations or researchers, but especially for SMEs in different sectors.
- The aim is to encourage innovators for designing, developing, testing or piloting of solutions to bring into markets.
