What we aim to do today...

- It is a proposal writing camp – **not** some ‘Info Day’
- We have to **not** stay in PowerPoint presentations but take a hands-on approach
- Share experiences amongst us and **learn from each other**
- We all (both the panel and the participants) have accumulated experiences and stories to share – let’s do it!
- Learning by doing (‘hands-on’) vs learning from being taught

Who did it...

Lets collect some statistics...

- Who has no experience?
- Who has experience with H2020 SME Phase 1 and Phase 2?
- Who has already some EIC Accelerator experience?
- OK, then:
 - With First Stage?
 - With Second Stage?
- Who heads for submission by October 6th?
