- Business Plan = 1 new product/year
- Growth; 2 to 30 staff
- € 50k to €3m turnover, €5k to €500k profit
- 25% of profits into new products

A decorative graphic at the top of the slide consisting of several overlapping, curved bands of color. From left to right, the colors transition from yellow and orange to red, then to green, and finally to cyan. The bands have a slight gradient and appear to be layered, creating a sense of depth and movement.
